**30 YEARS SINCE THE RENEWAL
OF DIPLOMATIC RELATIONS**

The Israeli Embassy in Serbia recently marked 30 years since the resumption of diplomatic relations between the Republic of Serbia and the State of Israel, as well as 45 years since the Israeli basketball club Maccabi won its first European title in Belgrade's Pionir. The anniversary will be celebrated by numerous events until the end of 2022.

The development of good and friendly relations with the State of Israel is based on the historical closeness of the Serbian and Jewish people, which was also expressed through the joint suffering during the Second World War.
