

## WELCOME TO OUR JANUARY NEWSLETTER!

---

We hope that you spent the time of the most beautiful holidays with joy and in the company of your loved ones.

Every new year brings new plans, ideas and decisions, both in private and business life, and our Company wants you to realize them and be successful in them.

The past year remains recorded in the history of Dipos as the year of our great jubilee, in which we recorded 60 years of business. Proud of its tradition, Dipos steps decisively into the future, empowered by new ideas and plans that we will continue to share with you with pleasure.

The first guest of Dipos in 2023 was the outgoing ambassador of the Republic of Cuba, H.E. Gustavo Trista del Todo, with whose embassy our Company has been doing business since 1965. In a cordial atmosphere, the director of our Company, Djoko Krivokapić, thanked the Cuban ambassador on behalf of Dipos for his cooperation and strong friendship, and presented him with a special thank-you note.

Last month, the prestigious portal 24sedam.rs. wrote about the architectural and cultural-historical gems of the capital managed by Dipos.

In the newsletter below, we introduce you to the life and work of Filip Hristić, a Serbian politician, Prime Minister of the Principality of Serbia, Ministry of Foreign Affairs and Minister of Education who is a member of the joint people's council and government.
