

WELCOME TO OUR MARCH NEWSLETTER!

In the past month, our Company had numerous activities.

First of all, we were pleased to host a delegation from the Embassy of Mexico, headed by Ambassador H.E. Carlos Félix Corona, with whom we discussed the various possibilities of extraordinary business cooperation that has been going on for 60 years.

The cooperation of Dipos and the Embassy of Palestine for more than 40 years, as well as issues of importance, were the main topics of discussion of the chargé d'affaires of the Embassy of the State of Palestine, Mr. Sami Nazmi A. Mhanna and Djoko Krivokapic, director of Dipos.

On the occasion of the continuation of the successful cooperation with the Cervantes Institute, which has lasted for more than a quarter of a century, as well as the possibilities for its expansion and improvement, we met with the director of the Cervantes Institute, Giuseppe Maria de Sagara Angel.

To more intensively connect Dipos with the diplomatic and international business community in Belgrade, we organized a meeting between representatives of Dipos and members of the International Women's Club in Belgrade. It was an extraordinary opportunity to exchange experiences, ideas, and plans with guests from all over the world.

We also visited the "Days of Georgian Culture" event organized by the Embassy of Georgia, which presented the culture and traditions of this friendly country.

Nurturing the values of our Company, such as building cultural identity and improving professional and cultural capacities, our employees visited the Palace of Arts "Madeleine" last month.

In this edition, we present Djordje Simic, a Serbian politician and diplomat, who was twice Prime Minister of the Kingdom of Serbia and one of the founders of the Serbian Red Cross.
