Last month, Ms. Bojana Martinović was appointed to the position of Dipos Director. Under the leadership of Ms. Martinović, our Company will continue to listen to the needs of clients and improve our business operations in the future.

We had the special honor of recently hosting the ambassadors of the Arab Republic of Egypt, the Republic of Argentina, and the Federative Republic of Brazil on our business premises.

To improve business cooperation, the quality of life and work in the real estate we manage, as well as to nurture traditionally good relations with the diplomatic and consular missions which use them, the Director of the Company, Bojana Martinović with her colleagues, visited the ambient unit - the Diplomatic Colony on Košutnjak.

Some of our collaborations last longer than half a century. One of them is the cooperation with the Embassy of the Kingdom of Denmark, which we are proud to present to you on this occasion.

Our decades-long partners EMBASSY OF THE KINGDOM OF DENMARK

Many decades of business cooperation with our business partners often grow into friendly relations. This is exactly the case with the Embassy of the Kingdom of Denmark.

“Our relationship with Dipos has been an exemplary partnership. Dipos has done a great job of maintaining and improving the residence where I live and the embassy where I work with my colleagues.

Our residence has also been the setting for important cultural and political events. On a more personal level, I have enjoyed growing herbs and vegetables and relaxing on the balcony in the evening with the view on stunningly beautiful sunsets over Košutnjak.”

Ambassador of the Kingdom of Denmark to the Republic of Serbia, H.E. Susanne Shine
